LB 762

green, if you don't vote red. Did you want a roll call vote?

SENATOR V. JOHNSON: ...controls.

SENATOR CLARK: Record the vote.

CLERK: Do you want a record vote, Senator? Senator Higgins requests record vote, Mr. President. (Record vote read. See page 2216 of the Legislative Journal.) 10 ayes, 23 nays, Mr. President.

SENATOR CLARK: The Chair is sustained. Next amendment.

CLERK: I have nothing further on this bill, Mr. President.

SENATOR CLARK: Senator Johnson.

SENATOR R. JOHNSON: Mr. President, I would move for the advancement of LB 762.

SENATOR CLARK: You heard the motion. All those in favor say aye...Senator Higgins, did you want to talk on the advancement.

SENATOR HIGGINS: I have my light on, Mr. Speaker.

SENATOR CLARK: You do have.

SENATOR HIGGINS: Thank you. I just want to remind the body that you have amended Section 3. Senator Johnson read you a little bit of an Attorney General's opinion only that opinion referred to Section 10, not Section 3. So as I said before, you now have a bill that is even more unconstitutional than when it originally came to the floor and I would ask for a machine vote on this bill, Mr. Speaker. Thank you.

SENATOR CLARK: We are going to have a machine vote on the advancement of 762. All those in favor of advancing the bill vote aye, opposed vote nay.
